

Report

Mechanical Engineering Department of ATME College of Engineering, Mysuru had organized a State Level Project Exhibition cum Competition for Mechanical Engineering students on 11-05-2024 at the college premises. Students from various Engineering colleges participated in the event. 'Yantrix' is an annual event at ATME College of Engineering, Mysuru which provides a platform for Mechanical Engineering students to showcase their ideas and innovations.

The event was inaugurated by Dr. Haseebuddin M R, Professor, DSCE, Bangalore and in his inaugural address appreciated the efforts of students in completing their project work and exhibiting in the event. He has also advised the students to keep innovating and updating their knowledge in the ever-growing field of Engineering. Dr. Basavaraj L, Principal, ATMECE, in his Presidential address emphasized the importance of multidisciplinary skills in the modern technical world. Dr. M S Govinde Gowda, Dean-Academics and Dr. Sachidananda, Administrative Officer was present during the occasion. Dr. Chethan S, HOD, ME dept. welcomed all and Mr. Devaraj MR, delivered the vote of thanks.

It was an opportunity for students to share each other's innovative ideas through their project work. Innovative projects in the field of Agricultural implements, Energy saving, Environmental protection, 3-D Printing and various other manufacturing processes were on display. The projects were evaluated by two experts, one from academia and the other from industry. The top three projects were given cash prizes.

Inauguration of the event
