

Talk on career opportunities for women

A talk on career opportunities for women was organized at ATME College on 9th March, 2016. This gave an opportunity for the students to understand the amount of participation they can have in the field of Science and technology.

Dr. L Basavaraj, Principal presided over the function. Heads of various Departments, organizing chair Dr. Bhagyashree S R, Program coordinators Priyanka N B, Sneha N P, Shruthi H G, Darshini M B, Swapna H, Impana Appaji and other faculty members were present.

Dr. L Basavaraj, Principal addressed the gathering about the role of women in engineering and technology. Principal mentioned that women are often under-represented in the academic and professional fields of engineering. He also mentioned that despite of the hurdles the women come across, the women have contributed to the diverse fields of engineering. Principal mentioned that a number of organizations have been working together to overcome the gender disparity. This in turn has reduced the gap. saying that it indicates the absence of potential talent. Principal mentioned that measures need to be taken to reduce the gap and to provide the opportunity to all the stakeholders.

The programme was anchored by Ms. Swathi B, a student of ECE, invocation was by Ms. Poojitha, student of ECE, Ms. Ashritha M L and Ms. Akhila Sharma M D Welcome speech and Vote of thanks were rendered respectively .
