

## Talk on Women Empowerment

A talk on women empowerment was organized at ATME College on 10th March, 2017. Women's empowerment is the process of empowering women. This provides the ability for the women to determine their choices.

Dr. L Basavaraj, Principal presided over the function. Heads of various Departments, organizing chair Dr. Bhagyashree S R, Program coordinators Priyanka N B, Sneha N P, Shruthi H G, Darshini M B, Swapna H, Impana Appaji and other faculty members were present.

Organizing chair Dr. Bhagyashree S R addressed the gathering by keeping in view the growing imbalance in the man-woman ratio. She emphasized on national policy for the empowerment of women (2001) its goals and objectives, economic empowerment of women etc. She mentioned about the role of the women in poverty eradication, implementation of macro-economic and social policies, realization of women's equality, agriculture and allied sectors, industries and service sectors. She also mentioned that social empowerment of women can happen through equal access to education, health, nutrition, drinking water and sanitization, housing and shelter and also by providing good environment. She mentioned violence against women should be curbed, an awareness on rights of the girl child must be created. She mentioned that action plans need to be made and executed at all levels to empower women in all the sectors.

The program ended successfully on a very positive note in the presence of dignitaries, faculties, students.
