Mentorship is the influence, guidance, or direction given by a mentor. A mentor is someone who teaches or gives help and advice to a less experienced and often younger person. In an organizational setting, a mentor influences the personal and professional growth of a mentee.

The objective of Mentor-Mentee scheme for IIC institutions is to engage high performing IIC institutions to guide the need and support. This twining program will help IIC institutions to facilitate knowledge exchange and resource mobilization between institutions by offering inter-institutional collaborations.

In this regard, Dr. Muralidhar Reddy visited ATME Campus and interacted with all the ATME college Members of IIC, President (Dr. Yathisha L) and Principal (Dr. Basavaraj L). Also educated how to increase the number of activities which will be beneficiary for the students of the organization and few inputs to start the Incubation centre in the campus.
