## ABOUT ATMECE

ATME College of Engineering (ATMECE), Mysuru, established in the year 2010, is approved by AICTE, New Delhi and is affiliated to Visvesvaraya Technological University, Belagavi, Karnataka. Currently, 9 UG programs are offered to students, which are affiliated to VTU, Belagavi. ATMECE is re-accredited by NBA for Civil Engineering, Electronics & Communication Engineering, Electrical & Electronics Engineering, and Mechanical Engineering. ATMECE is accredited by NBA for Computer Science & Engineering Course. ATMECE is an ISO 9001-2015 certified college and is awarded with "The Best Emerging Private Engineering College in Karnataka" and "Most Promising Upcoming Private Engineering College in Karnataka" for two consecutive years. ATMECE has secured QS I-Gauge Gold Ranking. ATMECE has been listed as one of the "Swacch Institute of the Country in 2019-20".

ATMECE is proud of having achieved accreditation of an NAAC A+ grade by NAAC and is one of the seven engineering colleges in Karnataka and one of the 47 Engineering colleges at the national level granted with A+ in the very First Cycle.

All the Departments in the Institute are recognized as research centers from VTU to pursue MS (Research) and Ph.D. The Institute has received more than 5 crores of external funding for various research & consultancy projects in the last 5 years. ATMECE has collaborated with more than twenty-five Industries and Institutes across the globe.

ATMECE believes in imparting holistic education where the student community is the focal point of the learning process. The institution offers a motivating environment for knowledge assimilation with a sense of social responsibility and human values.

## ABOUT THE FDP

This FDP helps the participants to understand themselves, understand the underlying harmony in nature. The participants can understand the role of human beings in nature, in existence and live with fulfilment of life. We believe that, this FDP on Universal Human Value, will pave the way for understanding the values of human and nature which in turn brings harmony in the society.

## OBJECTIVES OF THE FDP

- To prepare Faculty Mentors for 3 weeks mandatory Student Induction program.
- To promote a comprehensive understanding of harmony and ethical human conduct.
- To help the faculty members to lead a fulfilling life by maintaining harmony at individual, family, society, and nature level.
