Dean Research

Respected Sir,

Subject: To conduct an awareness to students about IEEE and Membership drive

I am writing to request your permission to conduct an IEEE membership drive on the college premises on 19th June 2024 at 2PM. The purpose of this drive is to encourage students to join the IEEE, thereby gaining access to valuable resources such as IEEE's extensive digital library, professional development programs, technical societies, and networking events.

For the membership drive, we propose setting up a booth near the Civil department Seminar hall from 2 PM to 4.30 PM. Our booth will be staffed by current IEEE members who will provide information about the benefits of IEEE membership, answer questions, and assist with the registration process. We will also have informational brochures and promotional materials available.

We are confident that the IEEE membership drive will greatly benefit the students of **ATME College of Engineering IEEE Student Branch – STB35744** by providing them with access to a global network of professionals, opportunities for career advancement, and resources to enhance their technical knowledge and skills. Additionally, their participation will strengthen our IEEE Student Branch and contribute to a vibrant and dynamic academic community.

In addition to the membership drive a Technical Talk will be delivered by Dr. Shiva Shankar IEEE Mysuru Sub section Chair-Elect. We will also make every effort to minimize any disruption to the regular activities and events on campus.

Sincerely,

Dr. Vinod Kumar P
ATME IEEE Branch Counselor

Dear Sir

This planned activity enhances IEEE membership and helps the IEEE student branch council to function better. Request you to do the needful.

Approved to conduct event

Dear Sir,

Subject: Invitation to Deliver Technical Talk on IEEE Benefits at ATME College of Engineering

On behalf of the IEEE Student Branch at ATME College of Engineering (STB35744), We are delighted to invite you to deliver a talk during our upcoming IEEE Membership Drive on 19th June 2024 in the Civil Engineering Department Seminar Hall, ATME College of Engineering at 2 PM

The IEEE Membership Drive aims to encourage students to join IEEE and actively participate in its activities, enhancing their technical knowledge and professional skills. Your expertise and experience in IEEE would be incredibly valuable to our attendees, inspiring them to explore new opportunities and deepen their engagement with IEEE.

We would be honoured to have you as our esteemed speaker for this event. Your insights and knowledge would greatly benefit our members and prospective members, helping them understand the vast advantages of being part of the IEEE community.

Thank you for considering our invitation. We look forward to your positive response and the opportunity to host you at our IEEE Membership Drive.

Warm regards

Dr. Vinod Kumar P
