POLICY

The placement facility is available to all the students who are enrolled with TAP Department subject to fulfilling the eligibility criteria as mentioned below. A detailed enrolment form should be filled and true details should be provided. The TPO does not take any responsibility later in case the student has made a mistake in his/her registration form (Eg: mistakes in phone numbers, email address etc...)

It is expected that a student shall NOT add any ambiguous/ wrong/ fraudulent/ misleading information in his/her resume. Resume checks will continue throughout the placement process. If, on verification at any point of time any discrepancies are found, the student would be de-barred from placements. This may also attract strict disciplinary action. All students have to specify their area of interest for the purpose of placement.

The Training and Placement cell enables the students of ATME to bridge the gap between the Academia and Corporate world. Feedback from industry is collected and the feedback used to design various Training Programs which runs through all the 4 years of the course. The various components of the Training Programs organized by the College will include modules on Communication Skills, Soft Skills, Current Affairs, General Aptitude, Technical Aptitude, Presentation Skills, Group Discussion Skills, Interviews Skills & Mock Interviews, Industrial Analytics Workshops, etc. Training is also proposed based on the modern techniques of psychometric testing to give scientific career counselling to students to equip them to grab the opportunities available. This important activity is vital to enable the students to achieve desired career objectives. It is mandatory for every student to take part in this Pre-Placement Training Programs.

Pre placement Training will be conducted during the vacation between 3rd and 4th year. It is mandatory for every student to take part in this Pre-Placement Training Programs.

Placement Agency-specific orientation is conducted for students prior to the placement drives organized by the institution as often as possible. A special orientation program is also conducted along with industrial visits organized by ATME and it is mandatory for every student to take part in such activity.

TAP Department issues Notification of campus interview for a particular Placement Agency and the same will be displayed / conveyed to the students through Notice Board of TAP Department, Faculty & Students Coordinators and vide Group email to batch students. Students are advised to regularly check the Notice board for placement updates. No personal communication will be made in this regard.

The students who wish to participate in placement activity of a particular Placement Agency/organization are required register themselves at the Training and Placement Office before the specified deadline. No late entries will be entertained under any circumstances.

Placement Agency are expected to give a Pre-Placement Talk [PPT] laying out the details of the Placement Agency and the offer before the process. In case there is no PPT by the Placement Agency, then the TAP department would give a PPT.

Attendance for Pre Placement Talk (PPT) is mandatory for all the interested students. Absent for PPT will automatically disqualifies a student form the selection process for that particular Placement Agency. For any reason if a student is not in a position to appear for the PPT, he can do so by submitting the Leave of Absence slip.

During the selection process for any Placement Agency, the student can withdraw his/her candidature immediately after the Pre Placement Talk (PPT) by the Placement Agency representative by filling the Application withdrawal slip.

Once the student appears for any selection process after the Pre Placement Talk (PPT), he/she cannot withdraw her candidature on any grounds whatsoever it may be.

Students must be in College Uniform and keep their Identity Card and other documents as indicated in the Notification of Campus Interview by the TAP department with them at the time of PPT/Test/Group Discussion/ Interviews, and produce the same when demanded by the visiting team or TAP staff or their representatives.

The Training and Placement Office will provide opportunities to all its registered students to secure one job at the first instance, and follows a policy of one student-one job till at least 75% (depending upon the discipline) of the students in a particular branch/discipline are placed.

Once 75% (depending upon the discipline) of the students in a particular branch/discipline are placed, the students already having a job will be eligible to apply for another job. A student who has obtained a second job in this fashion will not be allowed to appear for any more interviews.

In exceptional cases when a very reputed Placement Agency approaches the Colleges and / or some lucrative offers comes: the TAP Department may relax the norms related to restriction of one job one student and may allow even the already selected students to appear in the specific interview.

Acceptance of the offer letter in the prescribed format along with necessary documents (if any) must be submitted to TPO within the prescribed time limit. If a student is not in a position to accept the offer, he/she must submit a Regret Letter clearly indicated the reason for declining the job offer. In such cases the student is not permitted to appear for any other placement activity.

After accepting a job offer, if any student decides to withdraw his/her acceptance any time during the year, he/she must inform the Placement Agency concerned through the Training and Placement Office immediately. In such cases the student is not permitted to appear for any other placement activity.

If an Offer is accepted, the student will be out of the College placement process. However, a student with pending Pre-Placement Interview Offer is eligible to participate in the placement process.

The students selected through campus interview will complete all the necessary formalities (e.g. medical test) asked by the employer and will join the organization within stipulated time frame. He/ she will keep the T & P Cell update regarding his/ her progress in the Placement Agency. T & P Cell, in turn, will obtain regular feedback from the employer regarding the performance of selected students. As a matter of policy, the selected students will work at least for the duration of one year in that organization.
